NOVEL IDEA TAKES WELL AT GALIANO

By Review Representative

GALIANO, March 12th. — The Galiano Exchange and Mart took place at the local Community Hall on Saturday last, March 7th, under the leadership of Mrs. Miller Higgs, who made the suggestion to the Galiano Club's executive recently, for the purpose of raising funds for the Community Hall.

The idea was that there might be many odd things around every home up the Island for which their owner had no particular use, and these articles might be just what someone else up the Island needed or might have a use for. Such things might be given to the Galiano Club — garden and farm tools, clothing, books, magazines, eggs, poultry, preserves, candies, cakes, etc., and then a sale might be held which would bring in a nice little sum to the hall funds, and the residents of the Island would at the same time have the opportunity of getting something that perhaps they just wanted at a very reasonable price.

The idea caught on and a remarkable collection of things was sent in. Stalls were erected around the hall in charge of various ladies who kindly offered their assistance. The home-cooking stall was well filled and was handled by Mrs. Elverson and Mrs. Steward. Another for vegetables, garden seeds and farm produce in charge of Mrs. Cyril Morgan. Mrs. C. O. Twiss was in charge of the clothing stall; another for a variety of clothing of farm and garden tools, cowbells, engine parts, household requisites, etc., in charge of Mrs. Miller Higgs, whilst one for books, magazines, Easter cards, pens, pencils, scissors, etc., was looked after by the Misses Myrtle Bambrick and Ruth Higgs.

Mrs. Bambrick and Mrs. Lord worked indefatigably in the kitchen, whilst teas were daintily served on the platform in charge of Miss York with the Misses Morgan, Patience and Rawden in attendance also.

Mrs. Keith Brown, Mrs. George, Mrs. Murcheson and Mr. Paul Scoones successfully handled the tickets sold for various prizes offered. Mrs. Oswald H. New as "Madame Esther" told fortunes from cards, whilst Messrs. Paul Scoones and W. Miller Higgs assisted in many ways to help make the sale the success it was. A tree in one corner of the hall covered with presents for the children at five and ten cents (and good value for the money) caused much excitement among the young folk, to whom free teas were served. Miss Audrey Mills, the local school teacher, induced the children to make a number of very pretty little baskets for mixed candies which commanded a ready sale.

No less than \$80.08 was cleared after all expenses had been paid and the thanks of the Galiano Club are due to Mrs. Miller Higgs and the ladies of Galiano who assisted her, and to all those who contributed in any way towards making this novel exchange and mart idea the success it was. Practically everything changed ownership at reasonable prices and the few clothes left over will be sent to the Salvation Army and the magazines not sold will be distributed amongst the local hospitals.

BIRDS PROVE OF INTEREST

Mr. L. E. Taylor, president of the North Saanich Horticultural Society, addressed their meeting on Thursday last on the subject of "Birds and Their Habits." Many pupils of the Sidney School took advantage of the invitation extended to them and were present to enjoy the lecture.

It was very much regretted that Prof. Buck of the University of B.C., who had arranged to address the meeting on "Some Famous Gardens," was unavoidably absent owing to the breakdown of the C.N.R. boat.

The spring show of the Vancouver Island Horticultural Society will be held in Victoria on April 17th and 18th. In this show the local society will enter two exhibits. Mr. Taylor was chosen as convener of the "Landscape Display" and Mrs. J. J. White in that of the "Cut Flowers."

A report was received from Mr. J. A. Nunn regarding the Junior Garden Contest. He stated that the contest was already well under way and that there were now over 20 children interested, a considerable increase over last year. The society tries each year to give as many prizes as possible and as prizes cost money all donations for this purpose will be very gratefully accepted by Mr. Nunn and Mrs. J. J. White.

The competition subjects at this meeting were won as follows: Collection of spring flowers—1, Mrs. J. T. Harrison; 2, Mrs. B. Deacon. Best half pint of dried peas—1, Mr. J. A. Nunn; 2, Mrs. B. Deacon.

The subjects for next month's competition will be five trumpet daffodils and not more than three varieties of spring vegetables.

An excursion was arranged to visit some bulb farms at Gordon Head on Saturday, March 14th.

Mr. and Mrs. R. N. Palmer will be the speakers at the April meeting and will take as their subject "How To Exhibit."

CUB NOTES

By THE AKELA

At the regular Cub meeting on Friday the Parents and Scout Committee were invited and a good number were there.

We are pleased to say that we have a number of new recruits. Sixer J. Hunt passed his house orderly badge and Second Ted Skinner passed his guide badge.

Patrol Leader Byers is trying for his Cub instructor's badge.

Mr. Fred Larson, of the People's Supply Store, was successful in winning the checker tournament staged on the McIntyre checker board by the Sidney Checker Club. Mr. Larson's opponent in the finals was Mr. Hall, of the Dominion Experimental Station. Meeting at Mr. Hall's home the finalists played an entire evening with the rather peculiar result that every one of the three games ended in a draw. Later, at Mr. Homewood's residence Mr. Larson took two games in succession from Mr. Hall.

LETTERS TO THE EDITOR

The Editor assumes no responsibility for the views expressed by correspondents. All letters must be signed by the writer, not necessarily for publication. Writers are requested to be brief and to the point.

THE POUND

To the Editor,
Saanich Peninsula and Gulf Islands Review,
Sidney, B.C.

Sir:—The letter I am asking you to publish is self-explanatory. However, let me say that I took on the job of poundkeeper in what I thought to be a temporary emergency.

The idea was to keep stock from doing damage and from being a nuisance. I believe this is impossible with present regulations.

There is one much better solution, in my opinion: If an animal is known to be at large, let the owner's name be published, and let him make what explanation he can; public opinion will do the rest. It is, of course, understood that he has an explanation. If it is a good one, let me say I am with him; I like non-conformers.

I hope there is no need to trouble you again, but if anything needs to be made clear, I am available.

F. A. THORNLEY.

Hon. Wm. Atkinson,
Minister of Agriculture,
Department of Agriculture,
Victoria, B.C.

Dear Sir:

In answering yours of the 2nd, to enlighten you: If your Department has correspondence from me, there should be records of correspondence to me. If such is the case, you will find that I had a letter informing me that there had been many complaints from pound keepers; that the writer (yours) recognized that the charges were ridiculously low, and that some action would probably be taken this session.

Hence my inquiry; and your reply.

Now Sir, this reply from you, is addressed to me and quoting, "I can assure you that there are complaints from persons whose animals are impounded that the costs are unnecessarily high." Let me say to you, that it is usual for an executive to count the word of his man at least equal to any disgruntled Tom, Dick or Harry who might turn in a complaint. So much for that. Now the facts of the case are: first, we were being subjected to an unusual amount of damage done by strays; second, the citizens of this district offered to build a 'pound' on getting the assurance of my being poundkeeper; third, there never has been any overcharge, rather in almost every case an undercharge; fourth, this is not a job with me, but, however lowly, a public service; fifth and last, I give notice to you now, and by publication of a copy of this letter in our local paper, issue of the 12th March, that, there is no poundkeeper in this district.

Yours truly,
F. A. THORNLEY.

Sidney, B.C., March 4, 1931.

'THE BRIDE BREEZES IN'

Two hours of hilarious mirth were enjoyed on Friday evening in the Auditorium, Sidney, when, under the auspices of the Ladies' Aid of the United Church, the Fairfield Players' Club of Victoria presented a three-act comedy entitled "The Bride Breezes In." Mrs. Hugh Nixon was the director and assisting the cast were Miss Grace Platt, soloist; Miss Hazel McMahon, pianist; and Miss Audrey Nixon, elocutionist.

The scene of the play was the summer home of the Cotrex family, who had become penniless and were at the mercy of a young girl whose money they had squandered. The many mysterious episodes that took place during the three acts showed some real acting on the part of the cast, however, everything ended happily for all concerned, as plays usu-

ally do, after a couple of hours of exciting amusement.
Following the performance tea was served at the home of Mrs. A. W. Hollands by members of the Ladies' Aid.

FAITH In The Future

The successful progress and expansion of public utility companies must go hand in hand with that of the communities in which they operate.

That we have faith in the future is evidenced by the extensions recently completed at our Jordan River plant.

We cite this fact as an indication of the faith public utility companies must have in the future in order to meet the increased demands for constantly growing communities.

"I'm sorry, sir, every room in the place is taken!"
Bill was in a pretty pickle. He had expected to spend the night in the town, but evidently many others had the same idea. "If I'd only taken Jack's advice and made reservation by long-distance telephone," Bill reflected. But he hadn't, so there was nothing left to do but push on to the next point—after he had put through a telephonic call to make sure of accommodations there.
"Believe me, I'm going to let the telephone save me a lot of inconvenience from now on," he said, as he continued on his way.

SEASONAL HINTS FROM THE NORTH SAANICH HORTICULTURAL SOCIETY

MARCH FLOWER GARDEN NOTES

By C. E. TOOMER
With the advent of spring, lots of work will be found in the garden. If your shrubs are not pruned, do not delay, also prune all roses, trim hedges and generally put things in shape for the summer, for you will have no time to do all these little odds and ends later on. Once let a shrub get out of bounds and its beauty is lost. Pay a lot of attention to lawns, if the turf is thin apply a top dressing consisting of a half inch loam with which has been mixed some grass seed and a little bone meal, rake evenly and when dry enough roll well. The soil will be very pasty in some gardens, in that case do not touch it, more harm than good will be done by digging it. If your bulbs are in light soil, keep the soil stirred around them.

Sow sweet peas now for good bloom in well prepared soil. Do not dig a trench and put a lot of manure at the bottom, but dig a trench and mix old manure with the soil taken out and then replace, then sow peas and the result will be most pleasing. Now a word or two about annuals.

For a number of years annuals have been forgotten in the rush for new plants, principally trees and shrubs and things suited for inclusion in a wild garden scheme; and while many of these novelties are excellent in their way and add beauty and an increasing interest to a garden, there is no valid reason why the more simple plants with which we were satisfied in pre-war days should not also find a place. There are no plants so lavish in flower or so varied in form and rich coloring as the annuals and to see them well grown is to contemplate one of the finest gifts the garden has to offer. As this is a lengthy subject and one on which I should like to say more, I will do so at a later date.

MARCH ROCK GARDEN NOTES

By J. E. BOSHER
Spring has come early to our gardens this year, and those who have not yet completed their cleaning up and mulching operations in the rock garden should attend to this at once. When the plants are once blooming the less work done around them the better. Nothing but the occasional stirring and weeding should be necessary until the time to cut back after flowering arrives. Now is the time to sow such hardy annuals as one considers necessary, while a little seed of such plants as Linum perenne, Iceland poppies, etc., scattered lightly between spring-flowering subjects, will often give a charming effect in late summer and fall.

One thing that is very noticeable in most rock gardens locally, is the lack of color in the summer and fall. Even with a very poor water supply this is easily overcome by a choice of suitable plants. Such trailers as Saponaria ocyroides, Silene schaffa, Gypsophila repens, the various Thymes, Lithospermum, various Veronica's, etc., and such plants as the achillea in variety, the various blue and shrubby Pentstemon, Helianthemum, various Campanulas, and many more subjects, will ensure a continual succession of bloom throughout the season. Seeds of many of these subjects can be obtained quite cheaply and will grow readily if sown soon in a bed of fine, light soil, or in boxes and kept shaded until seedlings appear.

WANTED — Clean cotton rags, at least 18 inches square, for washing up our presses. We will pay 20c per pound. Here is a chance for smart boys and girls to cash in on the rag pile. Review Office.

RUBBER STAMPS — When in need of a rubber stamp, pad or ink, order through the Review. We have made arrangements for a fast service in this connection. Many different styles to choose from. Drop in at the Review Office and make your selection.

Mrs. R. Snider, Rockland Avenue, Victoria, entertained last Thursday afternoon in honor of Mrs. Clifford Bull in the form of a shower. The gifts were presented in a pretty chest, which was decorated with mauve and pink crepe paper. About 25 guests were present.—Mrs. Bull was formerly Miss Edna Blackburn, daughter of Mr. and Mrs. Ed. Blackburn, former well known residents here and now of Chilliwack. Mr. and Mrs. Bull, who were married several weeks ago, now reside in Victoria.

Rev. Thos. Keyworth and Mr. W. H. Lowe, as delegates from the local church, attended the Victoria Presbytery of the United Church held in the First United Church schoolroom, on Tuesday and Wednesday of this week.

Mr. and Mrs. C. C. Cochran have returned to their home after spending the last couple of months in California at the home of their daughter, Mrs. J. W. B. Cattell.

Mrs. E. W. Cowell and daughter, Mona, and little Grace Thompson, left on Friday for Vancouver, where they will visit with relatives for a few days.

Mr. Ken Shepherd, formerly of the local Bank of Montreal staff, and Mr. Jack Henstock left here for the Caribbean recently.

Mr. C. Ward underwent a minor operation on his leg this week which will necessitate his staying in St. Joseph's Hospital for a short time.

Congratulations are being received by Mr. and Mrs. D. Norbury on the birth of a son at Rest Haven on Saturday, March 7th.

Mrs. S. H. Parker and little daughter, "Peggy Lou," of Luseland, Sask., and former residents of Sidney, are visiting here as the guests of friends and relatives.

The Canadian Girls in Training held their weekly meeting in Wesley Hall on Saturday, opening with a short devotional period followed by the business meeting. Emily Thornley was elected as new vice-president. During the remainder of the time the girls made paper lamp shades. The meeting closed with the singing of "Taps."

The Motorship Somerville, with Kaljdaltinborn, master, of the Kalve Lines, from Oslo, Denmark, loaded at Brentwood this week with 2,000,000 feet of ties for Egypt. After working all day Tuesday and through Tuesday night it sailed on Wednesday morning and will take the following route: First call at the Aleutian Islands, Formosa Island, into the China Sea, thence to the Indian Ocean, through Suez Canal and Red Sea to Egypt, a journey of from 40 to 45 days.
